H. M. GAOMAB II
CHAIRPERSON
COMMUNICATIONS REGULATORY AUTHORITY OF NAMIBIA

SCHEDULE 1

CONCISE STATEMENT OF PURPOSE

The objects of the proposed regulations are to -

- (a) make the rights granted to the carriers by Part 5 of Chapter V of the Act to install certain telecommunications facilities applicable to other telecommunications facilities;
- (b) set out the manner, form and period of notice to be given by a carrier to a land owner in connection with installation or maintenance of telecommunications facilities; and
- (c) set out the procedure to be followed and consultations to be held between a carrier and the land owner.

SCHEDULE 2**REGULATIONS PRESCRIBING FUNCTIONS OF CARRIERS IN RESPECT OF
INSTALLATION AND MAINTANANCE OF TELECOMMUNICATIONS FACILITIES:
COMMUNICATIONS ACT, 2009**

The Communications Regulatory Authority of Namibia, under section 129 of the Communications Act, 2009 (Act No. 8 of 2009) read with section 68(2) of that Act and after having complied with regulation 4 of the Regulations Regarding Rule-Making Procedures published under General Notice No. 334 of 17 December 2010, has made the regulations set out in the Schedule.

SCHEDULE**Definitions**

1. In these regulations, any word or expression to which a meaning is assigned in the Act has that meaning, and unless the context otherwise indicates -

“land owner” means a person who owns or legally occupies a land, and includes the State, a local authority and a public body;

“party” means a carrier or land owner, and includes any affected person or public body that is joined as a party;

“telecommunications facilities” means telecommunications facilities relate to the wires, fibres, or any other form of telecommunications line as well as facilities used to protect or support such wires, fibres or lines (including poles, stays, ducts and pipes), and include masts, antennas, towers, pay telephones and other similar equipment; and

“the Act” means the Communications Act, 2009 (Act No. 8 of 2009).

Objects and application of regulations

- 2.** (1) The objects of these Regulations are to -
- (a) prescribe the functions of carriers in installing and maintaining telecommunications facilities;
 - (b) set out the procedure to be followed and consultations to be held between a carrier and the land owner; and
 - (c) to make the rights granted to the carriers by Part 5 of Chapter V of the Act to install certain telecommunications facilities applicable to other telecommunications facilities.
- (2) These regulations -
- (a) apply to all carriers; and
 - (b) do not prevent the carriers and landowners from entering into agreements governing carriers’ access to land for purpose of installation and maintenance of telecommunications facilities.

Submission of documents to Authority

3. Whenever documents are required to be delivered to the Authority, such documents are delivered physically or electronically -

- (a) by hand to an employee of the Authority at its principal place of business, being Communication House, No. 56 Robert Mugabe Avenue, Windhoek;
- (b) by post mailed to Private Bag 13309, Windhoek;
- (c) by electronic mail sent to legal@cran.na;
- (d) by facsimile faxed to +264 61 222 790; or
- (e) in any other manner or to any other address specified by the Authority from time to time.

Application of Part 5 of Chapter V of Act to other telecommunications facilities

4. The rights granted to the carriers by Part 5 of Chapter V of the Act to install telecommunications facilities relate to wires, fibres, or any other form of telecommunications line as well as facilities used to protect or support such wires, fibres or lines (including poles, stays, ducts and pipes) as referred to in section 59(3) of the Act apply to masts, antennas, towers, pay telephones and other similar equipment as contemplated in section 59(4) of the Act.

Service of correspondences between carriers and land owners

5. For the purpose of these regulations, a correspondence between a carrier and land owner should be effected -

- (a) by delivering a copy thereof personally to the person to be served;
- (b) by leaving a copy of the correspondence at the place of residence or place of business of the person to be served, where personal service is not reasonably possible;
- (c) by delivering or leaving a copy thereof at the *domicilium citandi* so chosen, if the person to be served has chosen a *domicilium citandi*;
- (d) by delivering a copy thereof to any agent duly authorised in writing to accept service on behalf of the person to be served; or
- (e) by handing a copy thereof to a responsible employee of the company or body corporate at its registered offices or its principal place of business, or if no such employee is willing to accept service, by affixing a copy of the correspondence to the main gate or door of such office or place of business.

Notice by carriers to access land

6. (1) A carrier must submit to the land owner a written notice to access the land in the form of Form A set out in the ANNEXURE before accessing the land for the purpose of conducting -

- (a) inspection on the land or do anything on the land that is necessary or desirable to determine whether the land is suitable for its purpose;

- (b) installation of telecommunications facilities; or
 - (c) maintenance of telecommunications facilities which includes alteration, removal, repair, or replacement thereof.
- (2) The notice must -
- (a) set out the reason of the carrier for accessing the land and outline the actions it intends to take as part of accessing the land;
 - (b) specify the duration of the activities and the proposed start date for accessing the land which must be at least 14 days from date of receipt of the notice by the land owner; and
 - (c) be copied to the Authority for noting.

Objection by land owner

7. (1) Upon receipt of a notice from the carrier in terms of regulation 6, the land owner may give the carrier a written objection to the notice in the form of Form B set out in the **ANNEXURE**.

- (2) The objection is given to the carrier at least seven days before the proposed start date and must -
- (a) include grounds of the objection; and
 - (b) indicate the date the parties must meet for consultation as required by regulation 8(2); and
 - (c) be copied to the Authority for noting.
- (3) The grounds of objection by the land owner include -
- (a) the location of the telecommunications facility proposed by the carrier;
 - (b) the duration of the activities;
 - (c) the date for accessing the land and start the activities;
 - (d) consideration of health, safety and security; and
 - (e) the likely effect that the proposed activities have on the land such as -
 - (i) servitude;
 - (ii) on going work or work about to commence; or
 - (iii) environmental degradation.
- (4) If no objection is received from the land owner within nine days from date of receipt of the notice, the carrier may proceed to access the land as outlined in the notice.

Consultation between carriers and land owners

8. (1) In case where the land owner objects to the notice of the carrier, the land owner and carrier have 14 days consultation period from the date of receipt of the objection to discuss and try to resolve the objection.

(2) The land owner must make reasonable efforts to start the consultation within the first seven days of the consultation period.

(3) The land owner and carrier must participate in good faith to resolve the objection.

(4) If the land owner and the carrier cannot resolve the objection by agreement during the consultation period, either party by agreement must -

- (a) prepare the outcome of their consultation in the form of Form C set out in the **ANNEXURE**; and
- (b) refer the dispute to the Authority for adjudication.

Emergency access to land

9. A carrier may access the land without notice for purpose of performing activities that need to be carried without delay in order to protect -

- (a) the health, safety or security of persons;
- (b) the environment;
- (c) the property of the carrier; or
- (d) the telecommunications facility or to deal with its emergency repairs.
