(3) The licensee shall at all times provide the same quality of service for all content that it carries on its Multiplexer in delivering broadcasting services

(4) The Licensee shall provide services using Moving Pictures Experts Group (MPEG4) (AVC H.264) compression and the Digital Video Broadcasting-Terrestrial 2 (DVB-T2) family standard as a minimum on its Multiplexer provided that the Authority may from time to time review the standards on which services are provided.

Technical conditions

8. (1) The licensees shall submit transmitter parameters, antenna parameters and site coordinates for all digital Terrestrial/Satellite Television sites to the Authority as requested by the Authority.

(2) The licensees shall comply with the technical conditions as will be prescribed in terms of section 86 of the Act.

Quality of Service

9. (1) The licensee shall comply with quality of service standards as may be prescribed by the Authority from time to time and published in the *Government Gazette* in terms of the rule-making regulations with regard to network quality, equipment, infrastructure and service quality.

(2) The licensee shall not maliciously interrupt the operation of its equipment during the normal course of business or suspend any service offered in terms of its license without prior written notice to the Authority and other licensees affected by such interruption or suspension.

(3) The provisions of sub-regulation (2) hereof shall not apply –

(a) if the interruption of operation or services is due to an emergency;

(b) in the event of force majeure;

(c) to other circumstances beyond the control of the Signal Distribution licensee and/or

(d) if the interruption or suspension is to a service supplied by the Signal Distributor to a person or entity whose broadcasting network is endangering the integrity of the signal distribution network.

(4) The licensee shall ensure that there is inter-operability in the digital broadcasting chain through ensuring that –All Free to Air Channels are accessible without constraints to a single Set-Top Box (STB) and Integrated Digital Television (iDTV).

(5) Licensees shall ensure that all conditional access broadcasting channels are accessible through a single Set-Top Box (STB) or Integrated Digital Television (iDTV) using mechanisms such as smart cards, passwords or keys or any other mechanisms compatible with the single receiver system.

Infrastructure sharing

10. The licensee has the right and obligation to lease facilities from and to any other licensee, subject to and in accordance with the terms and conditions agreed between them, failing which the Authority may take the appropriate steps.

Rights of way

11. (1) A licensee may enter into an agreement with a local authority council as defined in Section 1 of the Local Authorities Act, No. 23 of 1992 as amended or any other relevant organization or utility for the purpose of-

(a) constructing and maintaining a broadcasting facility upon, under, over, along or across any land, street, road, footpath, waterway or any railway and the affixing of wires, stays or any other kind of support to any building or other structure;

- (b) constructing and maintaining pipes, tunnels or tubes required for broadcasting facilities under any street, road or footpath, and the alteration or removal thereof;
- (c) the provision of an underground conduit pipe to enable the licensee to lay equipment necessary for the provision of broadcasting services;

(2) A licensee may enter into an agreement with the owner of private property for the purpose of constructing and maintaining a broadcasting facility, pipe, tunnel or tube upon, under or over such private property constructing and maintaining a broadcasting

Signal Distribution Offer

12. (1) The licensee shall file an offer for the provision of the Service(s) with the Authority within sixty (60) days from issuance of the Service license(s) by the Authority for approval.

(2) Any tariff or amendment of tariff or new tariff contained in the Offer submitted to the Authority must state the date on which the aforementioned tariff will come into operation.

(3) If a licensee wishes to amend a tariff or use a new tariff contained in the Offer it must submit the aforementioned tariff to the Authority for approval not less than sixty (60) days prior to the operational date as stated sub-regulation in 1 above.

(4) Tariffs submitted must indicate all information with regard to charges for services inclusive of deposit, non-recurring and monthly charges.

(5) All terms and conditions applicable to offered services must be submitted to the Authority including dispute settlement mechanisms and any other information requested by the Authority pursuant to this regulation.

(6) Tariff submissions must be accompanied by all such accounting and cost information as the Authority may require.

(7) Licensees may withdraw a tariff after submission thereof but prior to the Authority's decision on the tariff.

(8) The Authority may postpone the operational date of a tariff for a period not exceeding ninety (90) days to examine the reasonableness of the tariff.

(9) The Authority may reject a tariff or part thereof if the Authority finds that-

- (a) The tariff is unreasonable;
- (b) The tariff does not conform to the licensing conditions stipulated in the licence issued to the licensee concerned;
- (d) The tariff has the effect of impairing competition; and/or
- (e) The tariff is not accompanied by such cost information and other supporting material the Authority may require in terms of sub-regulation 6 hereof.

(10) The licensee shall ensure that its aforementioned Offer is readily available to licenced Commercial and Community Broadcasters in Namibia ensuring fairness and transparency in the negotiation process.

(11) The Offer shall contain information on issues relevant to the other licensees for negotiation purposes and should deal with the following –

- (a) Obligations of the licensee;
- (b) Obligations of Commercial or Community Broadcaster licensee;
- (c) Connectivity charges and billing arrangements;
- (d) Subscriber management support;
- (e) Customer Care services;
- (f) Equipment interface arrangements;
- (g) Technical support and service level agreement;
- (h) Penalties for outages as per agreed service levels;
- (i) Electronic program guide; and
- (j) Dispute settlement mechanisms, but not limited thereto.

(12) The Signal Distribution licensee shall ensure that its price for the Service(s) is transparent, affordable, realistic, fair and objective.

(13) Notice of filing of an Offer shall be published by the Authority in the *Government Gazette*, and after such offer has come into operation the full text of the Offer must be made available in terms of section 27 of the Act.

Transition Period from Analogue to Digital Terrestrial Television

13. The Authority may in writing require that the Service(s) licensee provides Dual Illumination or Simulcast during the Transition Period for a specific period of time and for the whole or specific geographical areas to be communicated to the Signal Distribution Licensee in writing by the Authority.

Promotion to Competition

14. (1) The licensees shall comply with the provisions of sections 33 to 35 of the Act which stipulates that:

- (a) any practice or activity that has the object or effect of preventing, restricting or distorting competition in a market for the supply of broadcasting services or any product or service used in connection with these services is prohibited.
- (b) any abuse of individual or collective dominant position by one or more persons in a market for the supply of broadcasting services or any product used in connection with these services is prohibited.
- (c) sharing of directors and officers among otherwise unaffiliated providers of broadcasting services without the approval of the Authority is prohibited.

(2) The Authority may review any proposed acquisition of an interest conferring control in competing providers of broadcasting services, and any proposed major transaction between such providers and their affiliates for conformance with the Act and to ensure that the transaction will result in no reduction in competitive markets not offset by sufficient benefits to the public (as measured by the objects of the Act).

(3) The Authority may impose conditions before or after such acquisitions or transactions to maintain competitive broadcasting markets.

(4) Any agreements determined by the Authority to be anti-competitive will be automatically null and void.

(5) Any restrictive practice or activity whose pro-competitive effects outweigh its anti-competitive effects is deemed not to infringe the provisions of section 33.

(6) Subject to an agreement the Authority must conclude in terms of section 67 of the Competition Act, 2003 (Act 2 of 2003), the Authority has jurisdiction to investigate, enforce and authorize any breach of the competition rules contained in section 33 of the Act, on its own initiative or upon request by any person affected by the anti-competitive action concerned.

(7) No licence may be assigned by any person, and control of any person holding such a licence may not be transferred without the prior consent of the Authority, which consent may be given if the Authority finds that the transfer or assignment would not be prejudicial to the objects of this Act.

(8) The parties to any transaction transferring an interest in (or conferring or transferring a right to appoint or dismiss a director of) any holder of a licence referred to in paragraph 13.8 must notify the Authority of that transaction within 15 days from the conclusion of that transaction whether it transfers control in the licensee or not.

(9) If the transfer has ultimately resulted in a change of control, the Authority may impose necessary measures to annul the transfer or alleviate the change of control.

Safety Measures

15. (1) Licensees shall, in respect of all masts, towers or other facilities that it owns, leases or uses, take such reasonable and necessary safety measures to safeguard life or property and limit exposure to electromagnetic emission and related risks.

(2) If the construction of masts, towers or other facilities would injuriously affect any person or property, the licensee shall not continue with such construction and shall find alternative ways to erect such construction in a manner that will remove such injurious effect.

(3) The construction of masts, towers or other facilities must be done in such a manner that it does not diminish the aesthetics of the general environment in which they are constructed.

Broadcasting code

16. (1) The Authority may make a broadcasting code in terms of sections 89 of the Act and shall enforce compliance with such code in terms of section 90 of the Act.

Payment of Fees

17. (1) All licensees shall pay the broadcasting licencing fees as prescribed by the Authority from time to time.

(2) The prescribed fees shall be payable within sixty (60) days from the date of approval of the licensee's annual financial statements.

(3) If the prescribed fees are not paid by the licensee within the sixty (60) days as per sub-regulation 3 hereof, and remain unpaid after the expiry of a period of seven days after a written

notice by the Authority to the licensee to remedy the default, the Authority may declare the licence to be forfeited in terms of Section 88 of the Act.

(4) The licensees shall submit their audited annual financial statements to the Authority within 60 days after the end of the licensee's financial year in terms of section 91 of the Act.

(5) The auditing of the financial statements referred to in sub-regulation 5 hereof must be carried out by a person who is registered as an accountant and auditor in terms of the Public Accountants' and Auditors' Act, 1951 (Act No. 51 of 1951).

(6) The Authority shall not be obliged to issue an invoice to the licence but shall issue a receipt upon payment of the verified and correct payment.

Duration of licences

18. (1) The authorisation to provide television-broadcasting services shall expire after ten (10) years, from the date of issue of the broadcasting licence by the Authority, with respect to a licensee providing signal distribution services in terms of Section 87(1)(b) of the Act.

(2) Licensees shall apply to the Authority to renew their licences prior to the expiry of the licence in terms of section 87(3) of the Act and as set out in the "Regulations Regarding Licensing Procedures for Telecommunications and Broadcasting Service Licences and Spectrum Use Licences", published in Government *Gazette* No. 4785, General Notice No. 272 of 29 August 2011, as may be amended from time to time.

(3) In terms of section 87(7) of the Act, in the event that a licensee fails to commence the provision of the Service(s) within a period of six (6) months from the date of issue of the licence, such licence shall expire at the end of the six (6) month period, upon notice in writing to the licensee by the Authority, unless otherwise approved by the Authority in advance.

(4) The Authority may, after considering a written request from a licensee, extend, in writing, for such further periods as may be determined by the Authority and if applicable, condone the licensee's failure to commence rendering broadcasting services timeously, in which event the licence will lapse after the expiry of such extended period.

Ownership and control

19. (1) The licensee shall comply with the provisions of Section 85 (2) of the Act in respect of ownership and control of such licence.

Amendment, renewal and transfer of licence or transfer of control of licence

20. (1) In the event that the licensee wishes to amend, renew and transfer its licence or transfer the control of its licence, the licensee must comply with the "Regulations Regarding Licensing Procedures for Telecommunications and Broadcasting Service Licences and Spectrum Use Licences", published in Government *Gazette* No. 4785, General Notice No. 272, of 29 August 2011, as may be amended from time to time.

Amendment of licence conditions

21. (1) In accordance with Section 86(3) of the Act, the Authority may, in respect of any particular licence, amend any of the conditions, including by adding further conditions-

- (a) if the Authority is of the opinion that it is in the interest of orderly spectrum management;

- (b) in order to give effect to any international treaty in relation to broadcasting to which Namibia is a party; or
- (c) at the request of the licensee.

(2) No amendment may be made to the conditions of a service licence in terms of paragraphs 21.1(a) or 21.1(b), unless the licensee concerned has been granted the opportunity to make written representations to the Authority in connection therewith.

(3) The decision by the Authority to so amend or not, is, subject to the provisions of Article 18 of the Namibian Constitution, final.

Supervision and Enforcement by the Authority

22. (1) All licenses are subject to the supervision by the Authority in accordance with section 90 and Sections 114 to 127 of the Act.

Duty to furnish information

23. (1) The licensees are obliged to supply information in advance to the Authority relating to changes regarding its contact details, contact persons, statistics on its broadcasting services, intended change of ownership, intended change of control, change of business address, court orders made against it, or any matter that materially affects its licensed operations, but not limited thereto.

Reconsideration

24. (1) The Authority may, on its own motion or on a petition filed by an aggrieved party to any proceedings, reconsider any order or decision that it has made, within 90 days from the date of making that decision or issuing that order.

**NOTICE IN TERMS OF THE REGULATIONS REGARDING THE SUBMISSION OF
INTERCONNECTION AGREEMENTS AND TARIFFS**

The Communications Regulatory Authority of Namibia, in terms of section 27(1)(e) of the Communications Act (Act No 8 of 2009) and regulation 8 of the “Regulations Regarding the Submission of Interconnection Agreements and Tariffs”, in Government Gazette No. 4714, Notice No. 126, dated 18 May 2011, herewith gives notice of the following decision in respect of the reconsideration application by Telecom Namibia Limited on the TDM tariff submission.

On 01st August 2013, the Board discussed the request by Telecom Namibia Limited to reconsider its decision of 29 April 2013 (contained in Schedule 1 to this notice) on the submission of TDM tariffs. After a careful consideration of the facts and the law, preceded by a lengthy discussion of the issues raised by Telecom Namibia Limited in its reconsideration application as well as various

correspondence between the Authority and Telecom Namibia Limited related to the reconsideration, the Board resolves as follows:

RESOLUTION:

1. That the previous resolution (contained in Schedule 1 to this notice) and taken by the Board on 29 April 2013 is herewith reconfirmed, subject to the amendment to Resolution 3 as enumerated in resolution 2 hereunder;
2. That resolution 3 be changed by substituting the word “retail” for “wholesale” to read as follows: That the pricing and rates as submitted by Telecom Namibia Limited for **Schedule B: Wholesale Pricing, Once-off charges and discount structure** is not approved.
3. That in the event that Telecom Namibia Limited fails to comply within 30 days from the date of this decision with the previous resolution of the Board dated 29 April 2013, attached hereto (contained in Schedule 1 to this notice), and the decision of the Board of 1 August 2013, the Authority reserves its right to invoke, the provisions of sections 114, 115 and/or 116 of the Communications Act, 8 of 2009 (“The Act”)
4. That the Chief Executive Officer in prior consultation with the Board will take such necessary steps as may be required to invoke sections 114, 115 and/or 116 of the Act.
5. That in the event that Telecom Namibia Limited fails to comply with the full decisions of the Board of the 29th of April 2013 and the current decision of 1 August 2013 by the deadline of 30 days the Authority will issue an enforcement order, in terms of section 116 of the Act instructing Telecom Namibia Limited to
 - 5.1 refrain from charging tariffs that have not been approved in terms of section 53(1);
 - 5.2 refrain from charging tariffs that have not complied with the requirements for promotional tariffs in terms of section 53(2);
6. That, taking into consideration that Telecom Namibia Limited’s Digicon product and its relevant tariffs are no longer provided as a service, resolution 8 of the 29 April 2013 decision is herewith amended to read as follows: *“that the provisions of section 53(15) requiring that prior rates be implemented be applied in this regard, given the non-approval of the tariffs of Telecom Namibia Limited.”*
7. That the Chairperson is herewith authorised to sign off the Government Gazette publishing the decision of the Board in terms of Section 27 (1) (e) of the Act.

SCHEDULE 1

On the 29th of April 2013, the Board discussed the Telecom Namibia Limited tariff application for TDM tariffs. The Board discussed the application at length, and made the following resolution.

RESOLUTION

The Board resolved:

1. That the pricing and rates as submitted by Telecom Namibia Limited for **Schedule A: Retail Pricing, Local and National Data Links Pricing Overview** is not approved.

2. That the pricing and rates as submitted by Telecom Namibia Limited for **Schedule A: Retail Pricing, Once-off charges and discount structure** is not approved.
3. That the pricing and rates as submitted by Telecom Namibia Limited for **Schedule B: Wholesale Pricing, National Express Route Pricing Overview** is approved.
4. That the pricing and rates as submitted by Telecom Namibia Limited for **Schedule B: Online Service TDM Connect** is not approved.
5. That the pricing and rates as submitted by Telecom Namibia Limited for **Schedule B: Backhauling Pricing Overview** is not approved.
6. That the pricing and rates as submitted by Telecom Namibia Limited for **Schedule B: Retail Pricing, Once-off charges and discount structure** is not approved.
7. That Telecom Namibia shall within a period of 60 days develop and submit to CRAN for approval a discount policy for wholesale operators that is fair, transparent and provide them with a competitive advantage and level playing field.
8. That Telecom Namibia shall charge the 2011 approved Digicon tariffs until such time that new pricing is submitted and approved in terms of section 53 of the Communications Act, No. 8 of 2009. ('the Act').
9. That all contracts that were signed during the promotional period on the tariffs and rates that have not been approved by CRAN be declared null and void and that new contracts be entered into with these customers, as these promotions are meant to be reductions in tariffs and not increases in tariffs in terms of section 53(2) of the Act and are thus not lawful but instead invalid for failure to comply with section 53(2).
10. Telecom Namibia Limited must inform the customers of the decision of the Board with regards to clause 9 above and
 - (a) where customers were charged the unapproved tariffs and rates Telecom Namibia should refund the difference between the approved digicon tariffs and the promotional tariffs to the customers within a period of 90 days.
 - (b) give the customer the option of a credit or monetary refund. Where customers request a monetary refund, such refund shall be paid within a period of 90 days from the date of the customer requesting same.
11. That there shall not be an interruption in services currently provided to customers until such time that a new contract has been concluded between Telecom Namibia and those customers requesting such a new contract.
12. That if Telecom Namibia Limited requests the Authority to reconsider the decision herein, Telecom Namibia Limited may submit at their earliest convenience:
 - (a) All relevant information to demonstrate the justifications for the increases, per section 53(9) of the Act;
 - (b) An unbundled pricing schedule for wholesale pricing as contained in Schedule B, Online Service TDM Connect and Backhauling Pricing Overview submitted as per section 53(19)(f), to enable the Authority to assess the application herein.
13. That Telecom Namibia Limited must provide an unbundled schedule of tariffs for **Schedule B: Wholesale Pricing, National Express Route Pricing Overview** within 30 days of this decision.

14. That the Chairman of the Board be authorised to sign the *Government Gazette Schedule B: Wholesale Pricing, National Express Route Pricing Overview* to publish the final notice to the effect that the tariffs submitted herein are not approved by the Authority.

Certified a true extract from the minutes.

Signed at Windhoek on 29 day of April 2013.
